## VISITS AND WINE TASTING

The Enotourism at Malhadinha takes place on the 450 hectares of the property and in the modern winery, offering a variety of experiences to all visitors, lovers of wine, gastronomy and nature.

Visiting the estate and the winery, a number of wine tastings and wine tasting courses for beginners, thematic wine tastings, barrel tastings and lunches or picnics in the vineyards are some of the experiences we provide. We devise programs for companies and for families...

At Malhadinha, your imagination is the limit!
