## Additional Notes

Malhadinha Olive Oil is a 100% natural product with It was created from Galega olives from our olive grove in the demarcated area of Alentejo. The olives were harvested by hand, which after processing by traditional methods gave rise to this pure juice with an intense character.

The olive oil, of the superior category, was obtained directly from the olives by exclusively mechanical means and were subsequently packaged and sealed, following the methods and regulations of the certifying body
