naturalhoney

Technical Specifications

Appellation

Mel da Herdade da Malhadinha Nova

Tasting Notes

Malhadinha Honey is a 100% natural honey heightened by the abundance of wild flowers in Alentejo. Resorting to handmade methods of extraction and production, this honey represents its distinct character. Its aroma is smooth, with a sweet palate, natural and rural. The amber colour together with the silky texture transform this honey in a high quality product.

Capacity

500g

Lot

L18001
