

Herdade da  
Malhadinha Nova  
Alentejo • Portugal

antão vaz

## Technical Specifications

**Country**  
Portugal

**Region**  
Alentejo/Albernôa

**Classification**  
Alentejo Regional Wine

**Type**  
White

**Vintage**  
2014

**Grape Variety**  
Antão Vaz 100%

**Vine Area**  
35 hectares

**Soil Type**  
Schist soil

**Vinification**  
The grapes were hand harvested at the first hours of the day into 12Kg boxes. After sorting and selection the grapes were destemmed and softly pressed. Fermentation occurred in stainless steel vat at low temperatures.

**Tasting Notes**  
The 2014 edition of Antão Vaz da Peceguina exhibits an expressive typical varietal with suggestions of tropical fruits and citrus notes. Structured and round in the palate but balanced by a good acidity resulting in a fresh and elegant wine.

**Bottling**  
February 2015

**Production**  
6960 Bottles

**Chemical Analysis**  
Alcohol Content: 13,5% by Vol.  
Total Acidity: 5.8 g/L Tartaric Acid  
pH: 3.36
