Schist based soil

Vinification

The grapes are manually picked in the early hours of the day and put into boxes of 12Kg. After selection and sorting, the grapes were removed from their stalks and gently pressed. Fermentation at low temperatures in stainless steel tanks.

Tasting Notes

The 2018 edition of Antão Vaz from Peceguina is distinguished by the great aromatic intensity, exuberant notes of tropical fruit and orange peel. A fresh and fruity wine in the mouth, with a medium structure based on good acidity resulting in a balanced, dry wine with a long finish.

Bottling
March 2019

Production
7000 Bottles

Chemical Analysis

Alcohol Content: 12%
Total Acidity: 5.1 g/L Tartaric Acid
pH: 3.42
