Vinification

Manually harvested grapes into 12kg boxes and carefully selected at the choosing table. Fermentation occurred at the mill at a controlled temperature with many presses throughout the process. 18 month staging in new french oak barrels.

Tasting Notes

For the longest time we had the urge to share with our followers a wine made exclusively from the Tinta Miúda variety. The year of 2019 made that possible and the result is the first edition of Tinta Miúda da Malhadinha 2019 - vinha da Malhadinha. A striking wine for its elegance on the nose, where everything is complemented in harmony, fruits, wood and spices. On the mouth it is a fine wine with silky tannins, with balanced acidity, Long and captivating finish.
