2009

Grape Varieties
Antão Vaz - 70%
Verdelho - 15%
Roupeiro - 15%

Vineyard area
27 ha

Soil type
Free-draining schist soil

Winemaking
The grapes were grown in our vineyards and hand harvest, carried in small boxes of 12kgs to the winery and sorted before destemming and lightly crushing. Monte da Peceguina is a truly eloquent wine. Needs some time to release all his splendor. Fresh on the mouth and good acidity full of tipicity. Fermentation occurred at low temperatures (never higher than 15°C) and lasted about 18 days.

Winemaker Notes
Peceguina White 2009 proved to be very expressive on the nose with tropical fruit and citrus touches. In the mouth it is quite engaging, with a firm acidity and show to be alive and extremely sensitive. Without a doubt it confirms to be a very well proportioned and balanced wine.

Bottling
March 2009

Production
57.300 Bottles

Analysis
Alcohol content: 13%
Acidity: 5.0 g/l tartaric acid
PH: 3.37
