3 NIGHTS EXPERIENCE
APRIL 15TH TO 18TH

Spring

It is usually the most awaited season by most people. It is the station that symbolizes rebirth, prosperity, and growth. At Malhadinha, these symbols are truly real and can be seen in various aspects, always paired with breath-taking sceneries that fill our souls: the new offspring of our animals, the unstoppable work of the bees that produce our delicious honey, the little sprouts on our vines, the green fields and the vibrant colours that dress up our flowers. In such atypical year, get into Nature's rhythm at Malhadinha and dedicate these four days to celebrate Spring with us, where Naturer rhymes with colour and renovation.

DAY 1

Thursday, April 15th 2021

*“You are the Spring I waited for
The multiplying and brilliant life
In which every instant is full and perfect”*

Sophia de Mello Breyner Andresen

ARRIVAL TO THE PROPERTY

Before you get to us you have certainly already passed through the green fields of Alentejo: Spring at Malhadinha starts there!

VISIT TO THE ESTATE AND ANIMALS

This season is also the representation of a new cycle. In a ride in a vintage all-terrain vehicle discover Malhadinha in a visit focused on new-born animals: calves of our Alentejo Cow, foals of our Lusitano Horses, lambs of our merino sheep and the famous black-pork that will make children and grown-ups smile.

SPRING DINNER

On the first night we suggest you join us for a dinner alluding to the most beautiful season of the year, where there won't be a lack of colours and flavours.

DAY 2

Friday, April 16th 2021

*“Can't you see the last star
In the cloudy sky veiling?
Collect the candle,
Oh fisherman!
Throw the haul carefully
The mermaid sings beautifully...
But beware,
Oh fisherman!
That the net will not entangle her,
Lost is the oar and the candle,
Just from seeing her,
Oh fisherman.”*

Sophia de Mello Breyner Andresen

BREAKFAST

Served in the Comfort of your room or in common areas, let yourself be absorbed in the Nature in its fullness, while you savour the best and freshest products Malhadinha has to offer.

FISHING OR ALCHEMY BAR

The days start getting longer and warmer. Put your fishing skills to the test or come learn how to make the best handmade hydrating exfoliant in our Alchemy Bar. No excuse not to enjoy the day outdoors.

LIGHT LUNCH AT ANCORADOURO

No matter what activity you choose before, we believe that it opened your appetite for a lunch filled with organic and healthy ingredients produced in our Estate, served at the Casa do Ancoradouro – where you can enjoy the best sceneries of the property.

FLORAL WINE TASTING

Floral is to spring like wine is to Malhadinha. Around here, we want to continue to join the concepts together. The terpenic varieties (like Touriga Nacional, Alvarinho, Antão Vaz or Roupeiro) are famous for their floral aromas. Come and get to know the best examples of our springier wines, in a unforgettable tasting.

DINNER AT MALHADINHA

The day ends with a gastronomical ode to the best of Malhadinha. At the end of the meal take your time to enjoy the starry sky of Alentejo.

DAY 3

Saturday, April 17th 2021

*“In that time
Under the gloriette of
Violet wisterias
The bees and I
Dizzy from the perfume
Up there the bees
Golden and small
Were not worried about me
Going from flower to flower
Down here I am
Sitting on the tile bench
Between the shadow and the
light
Flower and perfume
As eager as the bees”*

BREAKFAST

Spring means start and that could not be more adequate to breakfast. Get strength for another amazing day at our Estate. (Tip: don't forget to taste the honey")

VISIT TO THE BEEHIVES

We are certain that the delicious honey has not left your mind. We want to tell you all about the process of extracting honey in a visit to our beehives, from where this nectar comes out as sweet and organic.

LUNCH

We could not help but wish that you enjoy every scenery at Malhadinha. So we prepared a fantastic selection of snacks from Malhadinha at our Casa do Ancoradouro, the highest point in the property, with a breath-taking view.

FLOWER WORKSHOP

Flowers, flowers, flowers. We do not tire of contemplating them. Learn how to make the best floral arrangements and recreate them at home whenever you miss us.

DINNER

Today was a very intense day, of many learnings and new experiences. Therefore, we could not want to create another thematic dinner with Malhadinha's refinement.

DAY 4

Sunday, April 18th, 2021

*“There are moonlight invaded gardens
That vibrate in the silence like lyres
Hold your love between your fingers
In this April garden where you breathe
Life won't come – your hands
Can not harvest in others the sweetness
Of flowers swinging on the light winds”*

Sophia de Mello Breyner Andresen

BREAKFAST

While you enjoy the flowers swinging on the light wind, enjoy a delicious breakfast.

WORKSHOP OR TREKK

Experiences create memories: learn how to make soap and candles, ornated with Malhadinha's flowers and plants, that you can take with you and be reminded of us everyday. If you prefer, you can accompany us on a trek through the Estate's trails, where you can breathe Alentejo's pure fresh air.

PICKNICK

If picknicks are already a classic at Malhadinha, during spring they make even more sense. Surrender yourself to the power of Nature and live our fantastic barbecue paired with a selection of Peceguina wine.

CHECK-OUT

If there is anything we learned during these past few days is that everything is cyclical, and that a “see you” can quickly turn into a “welcome back”. See you soon!
