END-OF-YEAR PROGRAMME 3 NIGHTS EXPERIENCE

This year, we dedicate our end-of-year programme to the most beautiful Disney stories, which take us back to the enchanted world of fantasy and dreams. Remembering is living the past intensely in the present.

At Malhadinha Nova, the history and traditions of the region, and the rich past of this farm estate, are a huge inspiration from the beginning of the project, in all areas. We will live the last days of the year marvelled with the magic of some of the children's classics, which endure through time, and leave unforgettable memories in our hearts, interconnecting them with the local activities of the past, the geology, the local birdlife and flora and all the nature of Malhadinha. After all, in the world of fantasy all our dreams come true and nothing is impossible for those who believe.

"If you can dream it, you can do it."

THE LION KING

*"IT MEANS NO WORRIES FOR THE REST OF YOUR DAYS,
IT'S OUR PROBLEM-FREE PHILOSOPHY HAKUNA MATATA!"*

In The Lion King, Timon and Pumba live a carefree lifestyle in the middle of nature, without worries or problems. Simba meets them at a difficult time, when he runs away from home following the death of his father, Mufasa. Seeing the young lion despondent, Timon and Pumba sing to Simba, encouraging him to forget the past by repeating their life motto which they consider infallible: the Swahili expression, Hakuna Matata, which means "no problems".

With this lesson, Simba as he becomes a young adult manages to overcome difficult moments, to accept this philosophy of living quietly, without problems. A philosophy which, applied in brief moments to our lives, can be therapeutic. It is with this proposal that we will start the first day of the programme, immersing ourselves in the tranquillity and peace of the Alentejo, forgetting the hustle and bustle of daily life and the stress of the cities. Here, time is infinite, serene, it is medicinal.

DAY 1

Thursday, December 29th 2022

3:00 pm Arrival at Herdade da Malhadinha Nova. You will be welcomed at the reception by the Guest Experience Team and spoiled by our Chef. Start toasting with one of our organic wines.

4:00 - 5:00 pm Have you ever heard that the Alentejo landscape resembles the African savannah? Come and find out on a visit to the estate with our vintage four-wheel drive vehicles and also get to know the winery and all the winemaking processes. Also discover our wines and our novelties at a wine tasting in the Taberna.

While the adults enjoy the wine tasting, the children participate in an enchanting session of stories in the Tree House. The magic of Disney stories will win over the little ones, providing them with some of the fundamental values such as friendship, social awareness, loyalty and respect, and love for nature and its creatures.

6:00 pm Yoga Laughter Session - Relax in a fun relaxation session through laughter. Several studies prove that laughter is contagious and that when others laugh, our brain responds with the jaw muscles. Laughter is good for your health: it increases oxygen levels in the blood, stimulates the heart, lungs and other organs and also helps the production of endorphins, essential to feel good and happy.

8:00 pm Welcome aperitif at the Winery - We will start the first dinner of the end-of-year programme with a toast to Friendship and Love, so well demonstrated in the story of The Lion King.

8:30 pm Dinner at the restaurant - We were inspired by wildlife and the importance of preserving animal species. At Malhadinha, we breed animals extensively in a sustainable manner, making the most of natural resources, with minimal farm equipment, facilities and labour. Malhadinha's PDO meats will be the star of this dinner, with a menu designed by our team of Chefs.

SNOW WHITE AND THE SEVEN DWARFS

*"Magic mirror on the wall, who is the fairest one of all? - Queen.
- Famed is thy beauty, Majesty. But hold, a lovely maid I see. Rags cannot hide
her gentle grace. Alas, she is more fair than thee! - Magic Mirror. "*

The story of Snow White and the Seven Dwarfs rewards goodness and purity of heart, personified by Snow White, a young and beautiful princess. The queen personifies wickedness and envy once she is confronted with Snow White's beauty and youth.

We have scheduled the second day of your experience at Malhadinha to be the beginning of your full participation in the end of year programme. We want you to set off on a journey of discovery just like Snow White set off into the forest and discover what nature has to offer you.

DAY 2

Friday, December 30th 2022

8:30 - 11:00 am Nothing better than starting the day with a nutritious and healthy breakfast for the adventurous day ahead. Fresh juices and our organic fruit, homemade bread and jams as well as our freshly baked eggs are just a few examples of the most important meal of the day.

10:30 am Meet the seven dwarfs - Peddy paper along the Terres Stream, finishing at Pego da Moira Linda where the geological nature is highlighted through the spectacular resistance of the siliceous rocks to the wear and tear imposed by the waters of the Terres Stream.

12:30 pm Picnic lunch in a basket on the banks of the stream - be dazzled by the rocky landscape of Pego da Moira Linda, contrasted by the Alentejo plain and cork oak forest.

2:30 pm Dance workshop - Take up the challenge and rehearse a choreography to perform on New Year's Eve. We want you to join us in the party and have as much fun as the Seven Dwarf characters in dancing to a theme from the world of Disney.

4:00 pm Percussion and Singing Workshop with Ensemble Ibérico and Silvie Ornelas - Would you like to be part of our concert? Share the stage with one of the most prestigious groups of the Portuguese music scene and one of our greatest vocal talents and prepare yourself in this workshop for the concert that will follow.

6:30 pm Acoustic concert with the sound of the Steinway piano at Casa do Ancoradouro with Ensemble Ibérico & Silvie Ornelas in "Journey to the World of Dreams". Let yourself be enchanted by iconic Disney songs, portrayed to the acoustic sound of our Steinway piano.

8:30 pm Dinner at the restaurant - Farm to Table - We were inspired by the forest and mines where the seven dwarfs worked and went to find out the origins and what the earth brings us. We present you with a menu that treats food in the purest possible way and follows the rhythm of the seasons.

ALICE IN WONDERLAND

"Why, sometimes I've believed as many as six impossible things before breakfast."

Once upon a time, there was a curious little girl who followed a White Rabbit in a waistcoat and watch, entering without thinking into its burrow. The protagonist is projected into a new world, full of animals and anthropomorphic objects, which speak and behave like human beings.

In Wonderland, Alice is transformed, experiences adventures and is confronted with the absurd, the impossible, questioning everything she has learnt so far.

She ended up being part of a senseless trial, being sentenced to death by the Queen of Hearts, who ordered the cutting off of the heads of all those who bothered her. When she is attacked by the Queen's soldiers, Alice wakes up, discovering that the whole journey had been a dream.

We have recreated some of the adventures Alice lived in her dream so that you can have fun on the last day of the year. Imagination and creativity will be part of this last day.

ROBIN HOOD

*"No taxes, no tithes, no one is rich, no one is poor.
Fair portions at nature's table."*

Robin Hood was skilled at archery and lived in Sherwood Forest. He was helped by his friends "Little John" and "Friar Tuck", among other residents of Sherwood. He would have lived in the 13th century, enjoyed wandering in the forest and cherished freedom. The poor see him as free and generous, the rich and powerful fear him. In Pyle's story, as in many others, Robin wears green, handles his bow like no other, fears nothing and lives free and happy, surrounded by friends who help each other with every new threat. Let us hope that Robin Hood's motto will be a motto of inspiration for the year 2023, in the hope of a more caring and just world.
