LOVE IN THE WORLD'S MOST FAMOUS WORKS OF ART

Even though they were drawn centuries ago, the paintings keep the concept of Love alive, from the fatal seductions and shy flirting to the warm kisses. It is worth remembering some of them on the day dedicated to lovers, who usually take advantage of this day to exchange flowers, love letters and other forms of celebration. At the height of the dedications of love, there are works of art that perpetuate passion throughout the year, in its multiple forms, from Gustav Klimt's Kiss to Pierre-Auguste Renoir's courtship.

Come and celebrate Valentine's weekend at Malhadinha by travelling through Europe and discovering the most famous works of Love.

DAY 1 FRIDAY, 10TH OF FEBRUARY 2023 AUSTRIA AND LOVE

Austria is the birthplace of classical music and the romantic rhythms of the waltz. It was also here that the Austrian painter Gustav Klimt was born, who gained recognition in the symbolist and art nouveau movements, representing eroticism in a very delicate way. His most famous works highlight the female figure, with mosaics, ornaments and decorations in floral motifs. The most famous of Klimt's works is "The Kiss", inspired by the painter himself and his beloved Emilie. And it was in the wake of this beautiful representation of love that we were inspired to welcome you to Malhadinha.

5 pm - Painting exhibition. Discover in our Barrel Cellar the most beautiful works and portraits of one of the painters who best portrays the Alentejo;

8 pm - Dinner at the Restaurant. The golden phase of the Austrian painter Gustav Klimt will serve as inspiration for our team of Chefs;

10 pm - Film session with the film "Before Sunrise". Travel to Vienna and disembark with Jesse and Céline who fall in love in the city of music.

DAY 2 FRIDAY, 11TH OF FEBRUARY 2023 FRANCE AND IMPRESSIONISM

Pierre-Auguste Renoir and Édouard Manet are some of the best known French painters of the Impressionist era. This artistic movement that emerged in the 19th Century is somehow summed up in a sentence said by Édouard Manet: Je peins ce que je vois, et non ce qu'il plaît aux autres de voir. - ["I paint what I see, and not what for others is pleasing to see"]

Let yourself be inspired by the beauty of the Alentejo and express your Love in the way that makes most sense to you. Search for the colours, the lights, the reflections and the contrasts and create and recreate through your eyes your passion for the authenticity of the landscapes, the flavours and the senses in the Alentejo.

8.30 am . 11 am - Wake up with the morning freshness. Feel the first aromas and delight yourself with a breakfast full of fruit, jams and natural juices;
