# CARNIVAL AT MALHADINHA

TRADITIONS AND ORIGINS  
OF CARNIVAL AROUND THE WORLD

2 NIGHTS EXPERIENCE  
FROM 15TH UNTIL 17TH OF FEBRUARY

Carnival, one of humanity's oldest celebrations, was born from the great pagan festivities that marked abundance, the end of winter, and the promise of a new cycle. Over the centuries, this celebration spread across the world, taking on colors, sounds, masks, and rhythms deeply connected to the cultures that embraced it.

In Brazil, Carnival has become synonymous with vibrant music, contagious dance, and an energy that stretches from the beaches of Rio de Janeiro to the lively street "blocos." In Venice, the baroque splendor of golden masks, lagoon palaces, and tales of Casanova has transformed Carnival into an expression of mystery, seduction, and theatricality. In Cape Verde, African rhythms — from semba to morna, from coladeira to kizomba — give shape to a Carnival where cultural expression, ancestry, and the strength of the diaspora create a celebration with a deep and warm soul.

It is from this meeting of geographies, histories, and emotions that our proposal is born: a sensory journey through three of the world's most iconic Carnivals — the tropical exuberance of Brazil, the timeless brilliance of Venice, and the Afro-Atlantic beat of Cape Verde — reinterpreted with the authenticity, creativity, and soul of Herdade da Malhadinha Nova.
