Father's Day

SPECIAL PROGRAM "TIME TO CONNECT"

2 DAY PROGRAM

MARCH 19 - 20, 2026

In a time when everything moves so quickly, when days pile up and conversations often go unsaid, this rare invitation arises: to pause.

This Father's Day program was designed as an experience of reconnection—not with the outside world, but with what truly matters: the relationship between father and child.

Over the course of two days, amidst the tranquility of the landscape and the natural rhythm of the land, we create a space to experience simple yet deeply meaningful moments. Moments where time ceases to be a concern and becomes an ally, allowing every gesture, every conversation, and every silence to take on its true value.

Arrive, disconnect, reconnect

The first day is an invitation to transition. Your arrival marks the moment when you leave behind the fast pace of daily life and enter a space where time naturally slows down. Between the open landscape and the surrounding silence, everything invites you to slow down. You are welcomed with simple, authentic flavors, prepared with seasonal ingredients, where every detail reflects respect for the land and for time. The evening ends at the table, with a dinner where the flavors of the land are presented with authenticity and simplicity. The atmosphere is intimate, the pace is slow, and every moment is lived with presence. A symbolic, discreet gesture pays tribute to the father, reinforcing the significance of this day.

Arrival at Herdade da Malhadinha Nova

18h00 – A relaxing experience at our Wellness Center

A moment of relaxation for Dad. Unwind with a revitalizing massage and an experience in our Sauna and Sensory Shower. Feel the power of Ignae products, made with ingredients from the Azores and its many trees, plants, flowers, and seaweed.

20h00 – Themed Dinner at Malhadinha Restaurant, a Michelin Green Star-awarded restaurant

Father's Day features a dinner with a special menu. The atmosphere, the food, and the pace reflect everything we've experienced over the past few days: closeness, authenticity, and attention to detail. At the end, a symbolic gesture brings the experience to a close—a keepsake that captures this shared moment and makes it special!
